

'BAPTISED AND SENT' EXTRAORDINARY MONTH OF MISSION HYMN

In this field we can all be workers
Sow the seeds of Heaven's love
Let the rain caress the seedlings
Till they reach the skies above

Let us spread the word to every corner
let the weak be strong again
we are called and we're invited
to help the work of Jesus' hands

Though the years may pass remember
Still the message is the same
Reaching out to all who listen
It resounds with Jesus' name

**Baptised and sent, Baptised and sent
To share the joy in every continent
God is our friend, Baptised and sent
Baptised and sent, Baptised and sent
We'll bring hope where there is just de-
spair
Show that we care, His love has no end**

Let's bear witness through our actions
They can speak louder than words
Lay a path for all to follow
So our voices can be heard

With our help there'll be a future
Help the fallen rise again
Faith is stronger than injustice
This we'll help them understand

Now our life can be a mission
In this plan to play a part
All it takes is one decision
To bring about a change of heart

**Baptised and sent, Baptised and sent
To share the joy in every continent
God is our friend, Baptised and sent
Baptised and sent, Baptised and sent
We'll bring hope where there is just de-
spair
Show that we care, His love has no end**

We are the ones to make it happen
We are the seeds, in love we grow
We'll be like clay so we'll be moulded
By His Hand so the world will know

**Baptised and sent, Baptised and sent
To share the joy in every continent
God is our friend, Baptised and sent
Baptised and sent, Baptised and sent
We'll bring hope where there is just de-
spair
Show that we care, His love has no end**

Baptised and sent, Baptised and sent
We'll bring hope where there is just despair
Show that we care, His love has no end
